

North Cadbury and Yarlington Neighbourhood Plan Residents Survey - February 2020

Need HELP with this? Tel: 01963 441342 or 01963 440220

Welcome to our first household survey.

It will help us produce a Neighbourhood Plan for North Cadbury and Yarlington that reflects the community's needs and aspirations. We have designed this survey to ask the members of every household in the parish their views on housing and employment, what they value, and what needs improving. Your responses are very important because they will provide evidence to support a plan which will guide decisions on planning matters in years to come.

Please answer one survey per household. If there is more than one person in your household, please try to find a consensus where your answers may differ, as neighbourhood planning is about finding consensus as a community. For more information or to complete an online version go to www.northcadburyneighbourhoodplan.org.uk.
